

# PARKS & RECREATION DEPARTMENT NEWS

The New Year is here and we are excited for what 2023 will bring! We have started feeling a sense of normal is back and it's been a great joy to welcome so many familiar faces to our programming and enjoy seeing all the families at our special events.

We have a variety of new classes this season and are thrilled to welcome new instructors to our team. We are happy to offer Cricut for Beginners with Cyndi Weeks, How to Achieve Healthy Finances with Alice Headley and a Cooking in Spanish class in partnership with La Clinica. Coming back again this season are new cookie decorating classes with Marne and one-day LEGO classes with our very own LEGO expert Misti King! We would hate to see any child miss out on our programming due to financial hardship; scholarships are available for those that qualify. Please email us at parks@centralpointoregon.gov for more information.

Our events are back and bigger than ever! Be ready to get out your Valentine cards for the senior residents of our Community Cupids event. We deliver over 1,400 Valentine cards and we need your help making them! We also have our annual Easter Eggstravaganza coming up on April 8th at Twin Creeks Park and we will have over 30,000 eggs for the event! We are excited to have Made in Southern Oregon on Saturday, May 13th on Pine Street, with the best vendors and creators in all of Southern Oregon. It's an event you won't want to miss!

Our staff has been busy working with our new projects, such as the Central Point Little League and the partnership on the new Community Center with Jackson County. We are hopeful to have more updates on these projects in the months to come.

As always we appreciate the community support with all of our programming and events. Without the partnerships from our community members and the support of our residents, we would not be able to do all that we do. We look forward to seeing all the familiar faces at our classes and special events throughout the new year.

# The Daffodil Project a Great Success!

The inaugural year of the Plant a Thousand Daffodils project, a partnership between the Central Point Parks and Recreation Foundation and the Parks Department, was a resounding success! Rain and rock-hard soil didn't deter more than 130 volunteers from planting 1,770 daffodil bulbs in three public parks and two public areas. Several hundred more bulbs were purchased by businesses and individuals and planted on private property.

Central Point and other valley businesses displayed their generosity and community spirit by donating funds and supplies to the program. The Grange Co-Op contributed \$500 in seed money, both Lowe's and Home Depot contributed bulbs and tools, and many other businesses and individuals contributed funds or purchased bulbs for their own landscaping. In all, approximately \$2,000 was raised for the project with more than half of that benefiting the Central Point Parks and Recreation Foundation.

This spring we look forward to seeing daffodils blooming throughout our city. To celebrate, we will hold two contests: a

poetry contest for elementary students and an art contest for middle and high school students. Prizes for the poetry contest have been generously sponsored by the Central Point Friends of the Library, and prizes for the art contest will be sponsored by another local organization. Winning entries for both contests will be displayed in Central Point City Hall and printed in the next recreation guide.

The Parks and Recreation department will create a map to guide all interested parties to the blooms this spring. Signs recognizing donors who contributed \$100 or more will be scattered throughout the planting beds and a "treasure hunt" activity will reward participants with prizes provided by the department.

Jayne Garland and Eden Foster, volunteer co-chairs of the project and foundation board members, want to express their appreciation and gratitude to the many volunteers and contributors who have made this program such a tremendous success. They look forward to seeing the blooming daffodils adding cheer to our wonderful city and to planting even more daffodil bulbs next fall.

#### DENNIS RICHARDSON MEMORIAL NEARS COMPLETION

fter years of planning and months of Awork, the construction of the Dennis Richardson Memorial is nearly complete. We had hoped to dedicate the facility this Veterans Day but due to the delayed delivery of the water feature, it was decided to hold off. The Richardson Memorial celebrates the life of long-time Central Point resident, Dennis Richardson. Mr. Richardson served in the military as helicopter pilot during the Vietnam War. He also served on the Central Point City Council; was a six term legislator in the Oregon House of Representatives; ran for governor in 2014; and, finally, was elected as Oregon's Secretary of State in 2014.

Following his death in 2019, there was strong community support to honor his life of service and a design for the memorial located next to the Oregon Fallen War Heroes Memorial was approved by the Central Point City Council. The memorial will provide a place for quiet contemplation and is located at Don Jones Memorial Park next to the Oregon Fallen War Heroes Memorial.

Mr. Richardson was also the catalyst for the construction of the Oregon Fallen War Heroes Memorial. The memorial was completed and dedicated on Memorial Day 2013. Its purpose is to commemorate all those Oregonians who gave their lives in service to their country from the Civil War through Operation Enduring Freedom in Afghanistan. The restoration of the memorial includes replacing all landscaping, adding new lighting, and creating an area to hold Veteran's Day & Memorial Day ceremonies.

With the delays, the City is now planning to dedicate the Richardson Memorial next Memorial Day which falls on Monday, May 29th. Along with the dedication, we will also have the traditional Memorial Day events at the Oregon Fallen War Heroes Memorials. If you have questions or need additional information, contact Dave Jacob, Park Planner, at dave.jacob@centralpointoregon. gov or (541) 423-1012.

#### DAFFODIL ART & POETRY COMPETITION

Plant a Thousand Daffodils announces two contests open to students in Central Point and surrounding communities. The theme for both is "Inspired by Daffodils," which can be interpreted broadly by the artist(s). The Poetry Contest is open to Elementary and pre-school-aged children and poems of any style will be accepted. Illustrations are welcome but not required. Up to two submissions per student will be accepted. Prizes will be awarded for each grade level and select entries will be published in the Parks and Recreation Guide and/or the City Newsletter. Deadline is Friday, April 7. The Art Contest is open to all Middle and High school students and cash prizes will be awarded for each grade level. All winning entries will be displayed in the Central Point City Hall. Art of any style will be accepted. Deadline is Friday, April 21st. A complete set of rules for both contests are available by scanning the QR code, below.

#### NATIONAL RECREATION & PARKS CONFERENCE

n September, some of our Parks and Recreation Staff headed to Arizona to attend the National Recreation and Parks Association (NRPA) Annual Conference. At this conference, our staff attended many classes, presentations and met with some amazing people from all over the country. The field of Parks and Recreation is ever changing and giving our staff the ability to learn new skills, meet with some of the top professionals in our field is invaluable. We also had the great pleasure of hearing Temple Grandin spoke about overcoming diversity in her scientific work as well as showing perseverance with her academic career. We are very excited to start to implement many of the things we all learned at NRPA.

#### OREGON RECREATION & PARKS CONFERENCE

In November, some of our staff attended ORPA, Oregon Recreation & Park Association Annual Conference. this conference, our staff was able to brainstorm and learn from many other agencies in our state and get updates about changes to our profession in the state of Oregon. We learned how other agencies have been able to bounce back after the COVID shutdowns and how many agencies changed for the better. Our staff had a great time, despite being stuck in a snowstorm on the way home!

### **BEGINNER'S GUIDE:** STAYING HOME ALONE

Staying home alone is nothing like the movies. Parents don't worry, we don't anticipate your child will have to launch a full scale battle against two robbers while you are out. But, in the great words of Kevin MacCallister "This is my house, I have to defend it". Join City of Central Point staff for fun, practical ways to feel confident and take charge while staying home alone. Your child will learn what to do in an emergency and basic first aid skills from our certified Safety manager. And most importantly, our certified Snack Experts will bring some fun & yummy spins on traditional snacks your kids will love!
