

**Agreement of Terms and Conditions
City of Central Point
Adopt-A-Street**

PURPOSE:

The City of Central Point Adopt-A-Street Program is part of a joint effort between our City government and City residents to keep our right-of-ways and neighborhoods litter free. The program is voluntary and is designed for organizations, businesses and individuals to express their pride and commitment to the community. Each volunteer adopting group assumes responsibility for an assigned section of street and agrees to remove litter and trash a minimum of four times per year, for at least a two-year period. The City of Central Point will work with the adopting group to select the specific section of street to be adopted. Some streets may not be considered due to safety concerns. The City of Central Point will provide signage recognition for their time and efforts spent beautifying our City.

The City of Central Point and _____, hereinafter referred to as “Adopters” recognizes the need and the desirability of litter-free streets and are entering into this agreement to permit Adopters to contribute toward the effort of maintaining a litter-free street located at _____.

AGREEMENT CONDITIONS:

Adopted Area and Time Period:

- Adopters will adopt a section of roadway within the city limits to be determined by the City of Central Point if it meets the required guidelines of this program.
- The Adopt-A-Street agreement is in effect until one of the following occurs: 1) Adopter fails to clean the adopted street 2 or more times in a one year period according to Adoption guidelines or for violation of any of the guidelines established herein, or 2) Adopter notifies the City that they no longer wish to participate.

Litter Pick-Up:

- Litter pick-up will occur on a minimum of **4 times per year** during the adoption period. One pick-up must occur during each quarter (Jan-Mar, Apr-Jun, Jul-Sep and Oct-Dec). Adopters must submit the results of each clean up (number participating, hours worked and amount of trash collected) to the City of Central Point Adopt A Street Program as soon as possible following the clean up (usually with the return of equipment).
- The City of Central Point will be responsible for supplying equipment (trash bags, safety vests, signs and cones) for the group in the clean up of their adopted area. Requests for equipment must be made at least two (2) business days (48 hours) in advance of pickup.
- The City of Central Point will pick up and dispose of the trash bags filled by Adopter after they complete each clean up. The filled trash bags must be left in a neat pile within the adopted area. The City of Central Point must be notified at least two (2) business days (48 hours) in advance of equipment pickup, so that arrangements can be made to have the filled trash bags disposed of promptly.
- Should any large items such as old furniture, large appliances, etc. be found during litter pick up, Adopter should note the location of the large item and notify the City of Central Point Public Works Department. Adopter should not pick up any materials other than what fits the criteria of litter, and what can be easily disposed of using a trash bag that has been provided by the City.
- Should any hazardous waste be found during litter pick up, Adopter should note the location and type of hazardous material then notify the City of Central Point Public Works Department. Adopter must not handle or move hazardous waste/materials of any kind.

Safety:

- Adopter will be responsible for maintaining a first aid kit while participating in the litter pick up on the adopted street section.
- Adopter agrees to obey and abide by all applicable safety as determined by the City of Central Point, OROSHA, and any Federal, State, County, or City laws. (The City of Central Point will furnish Adopter with a *Safety Guide*).
- All participants 11 years of age or younger must be accompanied by an authorized adult supervisor. During that time the adults are held responsible to ensure that adequate safety measures are taken. Authorized adult supervisors are responsible for the behavior, safety and general welfare of their respective charges.

Signage:

- The City of Central Point agrees to provide signage recognition of the adopted section with the Adopter's name displayed for the duration of the adoption period.
- The City of Central Point will determine the placement of signage on new streets if there is not an existing sign pole.

By signing this agreement, Adopter acknowledges the hazardous nature of the work and assumes the risks posed by traffic, nature and hazardous materials which may be found on the right-of-way. Adopter agrees to comply with the conditions contained in the General Provisions and Safety procedures, Hazardous Materials procedures, and any other conditions or direction called for by the City of Central Point.

If, in sole judgment of the City of Central Point, it is found that the adopting group is not meeting the terms and conditions of this agreement, upon 30 days' notice the City of Central Point may terminate the adoption agreement. The City of Central Point reserves the right to modify or cancel the program at any time.

Date

Signature of Group's Adopt-A-Street Representative
(Signature must be witnessed by City of Central Point Representative or Notary Public).

Date

City of Central Point Representative/Notary Public as witness for group signature.

This Agreement will remain in effect until further notice (see Agreement Conditions above).
